

Macomber Floor Loom for Sale

I have a 4-harness, Ad-A-Harness Macomber floor loom from 1974, model B5-C s/n 844 for sale. It is expandable to 8-harnesses; weaving width approximates 40-inches; and total dimensions are 53-inches wide, 40-inches deep and 50-inches high. It was used by my mother, Marilyn DeWinter Scovel. The loom, including accessories that include a reed, leash sticks, warping board, shuttles and many replacement heddles is located in Bellevue and is in Excellent/Outstanding condition. Asking \$1,200 or best offer.
